

CONFIDENTIALITY STATEMENT

Information contained within this building is confidential and may be accessed only as necessary to perform your job. Access to any patient's medical/dental record or medical/dental information is strictly prohibited unless a current and valid health information release form, signed by the patient in question, has been received by the clinic administrator, board of directors, or medical director. Access to confidential information on any staff member, volunteer, or board member of the clinic is also strictly prohibited.

As a visitor on the premises of Good Samaritan Care Clinic, I understand and agree that in the performance of my duties I must hold in strict confidence all clinical, demographic, medical, dental, social, financial, personal or other employee, volunteer, patient, or business-related information obtained from communication systems, information systems or any other source.

The following breaches of confidentiality may be cause for termination of your agreement and experience with Good Samaritan Care Clinic:

Unauthorized access to any prohibited information (which may be maintained in medical, dental, personnel, financial, computer, or other records).

Unauthorized verbal or written disclosure of any prohibited information.

I understand that my duty of confidentiality exists during and after my activity at Good Samaritan Care Clinic.
